KNOCKLYON COMMUNITY JUBILEE

Celebrating 25+ Years of Music!

Michelle O'Reilly
Musical Director
Conductor - Senior Band

Michelle has been with the Knocklyon Concert Band since its inception in 1998. She brings with her a vast wealth of generational experience in music teaching, conducting, and performance; from grandparents, right down to her children, who have been, and currently are, integral to the success of the KCBS.

Prior to taking the reins of Musical Director three years ago, Michelle was already well into her career in music teaching. First teaching in Tallaght School of Music, then the Rathfarnham Concert Band, NUI Maynooth, and of course, the Knocklyon Concert Band Society and School of Music.

Michelle's overwhelming passion for music is deeply rooted in her DNA, evidenced in her willingness to explore new music, and continues to tirelessly mentor and motivate both students and band members alike. Her love for music is not only inspirational, but also contagious being felt by every member throughout the KCBS.

Michelle is in her element when she is helping children, teenagers, and adults discover their passion and love for music, in a safe and healthy environment. Our students' very high achievements in both Music Theory and Instrumental exams are a testament to Michelle's ambition and passion for music, and to the KCBS.

Christine brings over 20 years experience as a piano teacher and accompanist since achieving Teaching and Performance Diplomas from the Royal Irish Academy of Music. Most recently, she completed a Masters Degree in Music Education from the Royal College of Music, London.

Christine has recently taken charge of conducting the Junior Band. The children who join us to learn and perform music are the very heart and soul of the KCBS and Christine is passionately dedicated to nurturing the love and excitement our young students have for music.

Christine Grier
Conductor - Junior Band

Rob Sheldrick
Conductor - Jazz Band

Rob is our jazz band conductor. This is his third year with the band, and he's delighted to be part of the great setup at the KCBS. He comes to us from a musical background, having studied trumpet in the College of Music, Chatham Row under Joe Csibi, and plays with many bands and orchestras throughout the country. He has been Musical Director and teacher with several jazz bands and musical groups prior to joining us.

He has great ambition for The Swing Kings jazz band as they continue to improve and grow, and likes nothing more than to encourage the young members of the band to feature as soloists, some of whom you'll hear tonight.

St. Colmcille's Parish Choir

St. Colmcille's Parish choir is a mixture of the Mature Gospel Choir and the Adult Choir. They have been in existence for over 30 years and faithfully turn up to sing at weekly masses and at all the liturgical seasons in the Church year. They are a great group of people who combine music and singing with friendship, good fun and craic.

St. Colmcille's Community School Choir

St. Colmcille's Community School is blessed to have a great tradition of music in the school. Even with their busy academic and sports schedule, these students take part in our annual school musicals and volunteer to sing in the choir. Practices can take part at any time - early in the morning, late in the evening, and even during lunch time.

St. Colmcille's SNS Choir

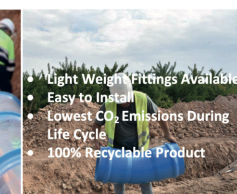

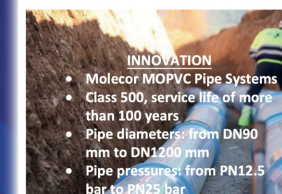

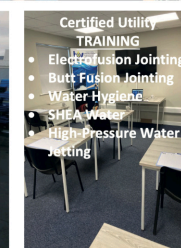

St. Colmcille's SNS Senior Choir is a group of 70 talented singers, both girls and boys from 4th, 5th and 6th Class. Led by Emer O'Connor, Sue Synnott, and Sinead O'Brien, they practice after school each week, as well as the odd lunchtime. They are a group of talented and dedicated students who all have a love of music!
